Recommended Use(s) and Comments:

1. Regularly used for sewing and quilting activities.
2. Current programming includes a variety of educational classes.
3. Sewing, billiards, Loteria, and jewelry crafts are popular activities.
4. Residential kitchen and large meeting room make this site viable for private rental and events.
5. Lots of opportunity for passive recreational uses: basketball court, soccer fields, baseball fields, tennis courts, walking trail around sports fields.
6. This center seems to serve the non-senior populations in Chaparral (Seniors primarily use Betty McKnight because of the Senior meal program at that location).
7. The addition of a computer lab at this CRC would bring added benefits to youth and adult residents of Chaparral.
